**Would you like to make new friends, gain work experience and practise your Danish skills while at the same time having a great time? Here is your chance!**

Taking place at Studenterhuset in the very heart of Copenhagen, Volunteer Night 2024 gives you the chance to meet a wide range of organisations offering attractive volunteer positions and get involved in your local community as an international. The atmosphere will ooze of good old Danish 'hygge' and we can't wait to explore a powerful programme with you. Make sure to swing by and say hej – ses vi?
