

# Welcome to Digital Denmark

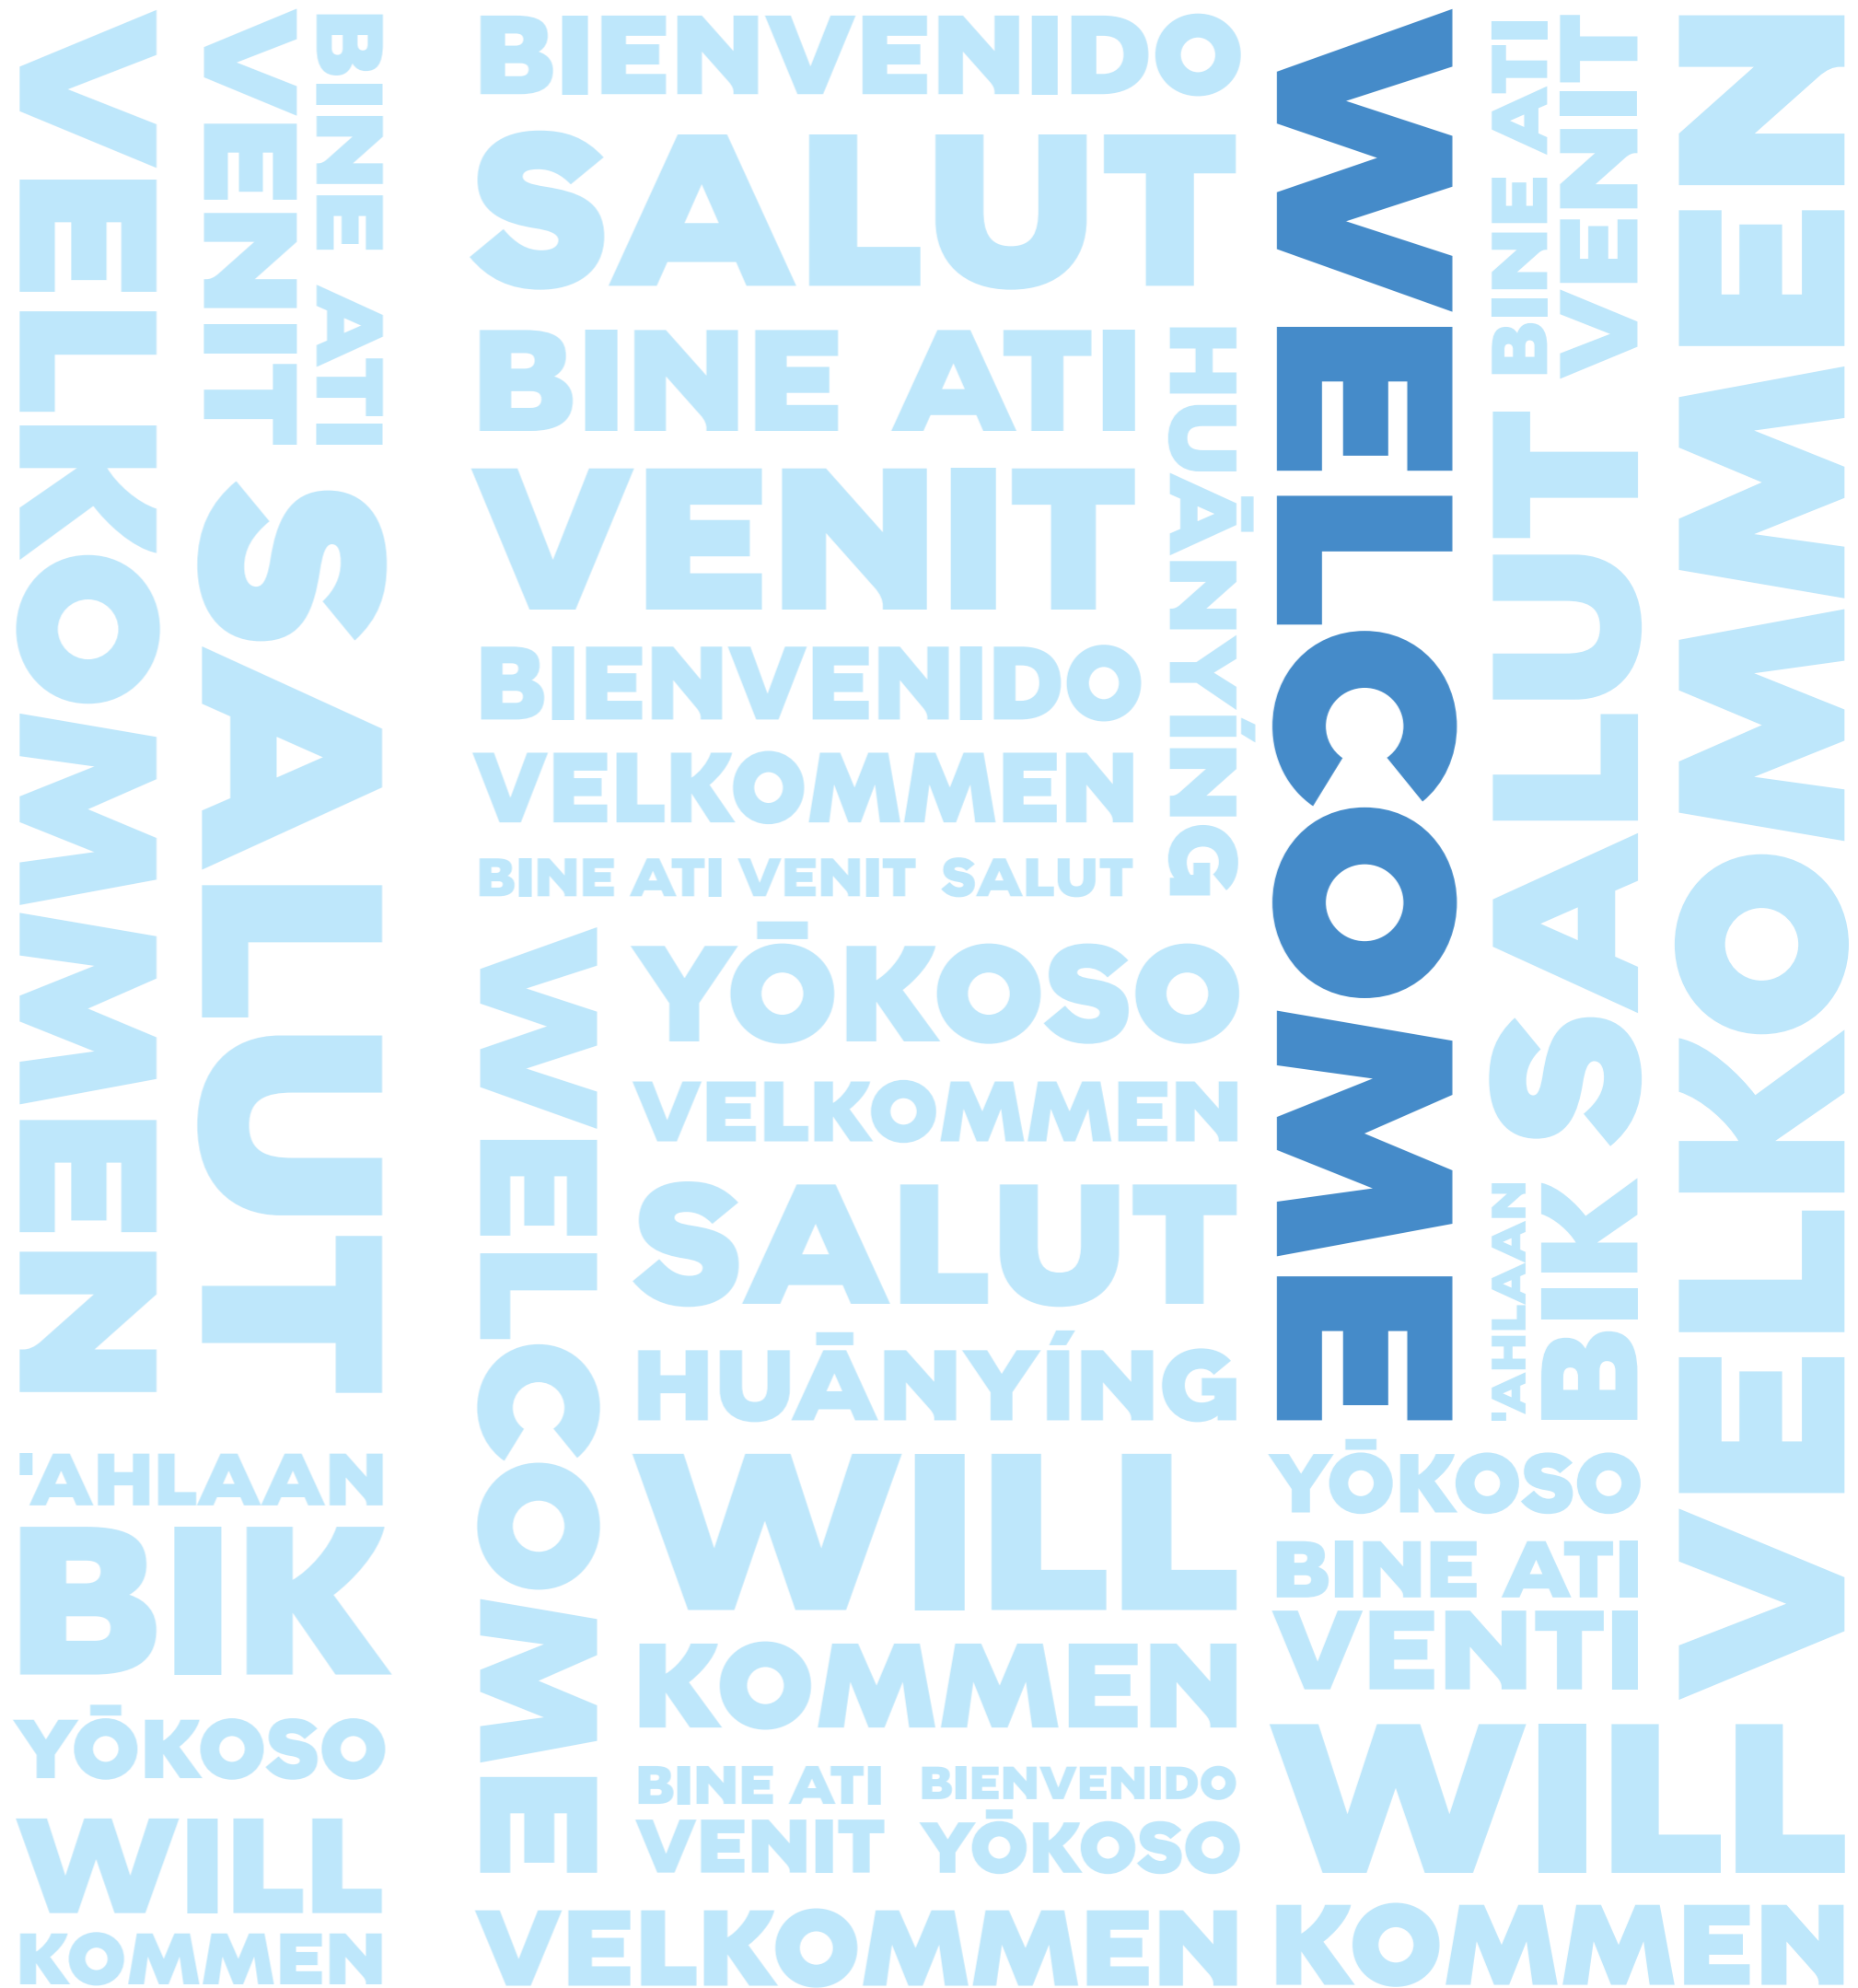

Denmark is one of the most digitised countries in the world. Digital apps play a significant role by enabling seamless access to a wide range of services from public administration to healthcare. You are recommended to download the following apps to get started with your digital life in Denmark.

INTERNATIONAL HOUSE COPENHAGEN

**1 Find a job**  
Finding a job before moving is a good idea, and there are many great resources that can help you explore your opportunities.

**2 Get an EU residence document**  
You can apply for an EU residence document online and have it issued at the Danish Agency for International Recruitment and Integration (SIRI).

**3 Find a home and get a permanent address**  
A roof over your head is crucial, though not always easy to find. Get your head around the housing market.

**4 Register as a citizen – apply for CPR registration**  
You can apply for CPR registration in International House Copenhagen, if you have a place to live and plan to stay in Denmark for 3 consecutive months.

**5 Get a MitID**  
The Danish national eID, MitID, is your personal key to digital services in Denmark.

**6 Get your yellow health insurance card**  
Your yellow health insurance card is on the way, but it can take 2-4 weeks – so please be patient and make sure your name is clearly stated on your mailbox.

**7 Get a tax card**  
Tax can be tricky. That's why the Danish Tax Agency (SKAT) is here to help you. You must apply for your tax card online.

**8 Open a bank account**  
You can open a bank account by reaching out to any bank of your own choice.

**9 Change your driving licence**  
You can exchange your driving license to a Danish driving license if you have residence in Denmark.

**10 Read your Digital Post**  
Denmark is one of the most digitised countries in the world with Digital Post being its cornerstone. The sooner you get started, the better.

**11 Start learning Danish**  
Snakker du dansk? You may very soon because the opportunities to learn and practice are many.

**12 Join a club or association**  
The culture and leisure scene is rich in Greater Copenhagen. International House Copenhagen can help you get started with a broad range of free events.

**13 Notify your municipality of your decision to leave Denmark**  
Leaving Denmark sometimes requires deregistering your Danish address. You can learn more on how to report your departure to the authorities here.

**14 Find out which practical matters to attend to if you are leaving Denmark**  
There are a few practical matters to attend to before leaving Denmark. Find the full list here – and all the best to you in the future!
