Change of address when you move

When you change your address you must inform the authorities within 5 days. This should be done online with a NemID (online ID/signature). You can get a NemID in your bank or at a citizen service center. If you do not have a NemID, you must contact your local citizen service center.

Please note that the time limit for notification is 5 days. If this limit is not respected, a fine will be imposed.

You can change your address online 30 days in advance.

You must inform your new municipality about the move. All municipalities in Denmark are found at www.lifeindenmark.dk

Remember to inform your post office. You can do so in person at your local post office or online at www.postnord.dk/en Your mail/letters will be forwarded to your new address.

Change of doctor

You can change your doctor online by using a NemID and a Dankort at www.lifeindenmark.dk. Here you will find a list of doctors in your neighbourhood. If you are not able to do it online, please contact a citizen service center for help. Remember to bring your NemID.
